Session Descriptions

Get to Know Your American Job Center (General Orientation)

This session is designed to provide participants with general information and services provided by the Department of Employment Services and the American Job Center programs which includes an overview of scheduled Performance Enhancement Sessions.

Writing a Professional Cover Letter

A well-written cover letter can increase the chances of an employer viewing your resume. Learn how to write a professional cover letter that best represents your skills and strengths applicable to your desired position.

Smart Resume: Tips, Tools, and Techniques

Your resume is your first impression. Learn how to structure your resume in a way that will stand out to employers. Discussion will include strategies on how to cater your resume to the job description, different resume styles, and using key words and phrases.

The Conversation That Gets the Job (Interviewing Skills)

Market your skills to the employer and prepare for a professional interview. Learn about panel interviewing, what not to say during an interview, and what to do after the interview is over.

Navigating DC Networks

Learn the best strategies to connect with employers and their job postings online through DC Networks. This session will provide you with necessary information to assist you in putting your best foot forward online. Find out about tools that will help you show employers who you are, alert you when new jobs are posted and improve your job search.

Successfully Submitting Online Job Applications

Learn how to effectively complete an online job application, job related online assessment, and avoid common errors that impact your chances for an interview.

Collegiant Education and Career Planning (Facilitated by the Educational Opportunity Center)

Information on Career trends of the 21st Century. Learn how to get the training needed to make the transition in to some of America's fastest growing jobs.

Microsoft Digital Alliance

Brand new to computers? This 4-week, hands-on course is for you! Learn how to use the mouse, keyboard, and send an email with an introduction to Microsoft programs.

You must pre-register for this course by contacting Vanessa Ingram at 202-576-3092 or at Vanessa.Ingram@dc.gov
